

***Trillium Dell Timberworks &
The Vermilion County Conservation District
Cordially Invite You to a
Timber Framers Guild
Workshop & Rendezvous
Sept. 21 - Oct. 4 in Danville, Illinois***

The Observation Tower will be located on the north shore of Lake Vermilion and will be the centerpiece of a 950-foot floating boardwalk in a wetland area. Danville is located 120 miles south of Chicago and 35 miles east of Champaign.

Please RSVP no later than September 7.

Lodging or camping is available at Forest Glen Preserve, site of the workshop and most of the construction.
